Linked Pasts 5

Linked Pasts is the annual symposium dedicated to Linked Open Data and historical research

- > Workshops, demos, hackatons
- > Special round table on infrastructures and LOD
- > Thematic panels and sessions on the use of LOD in historical geography and prosopography

With the participation of Francesco Beretta, Carmen Brando Lebas, Stéphane Pouyllau, Gautier Poupeau, Charlotte Roueché, Valeria Vitale, Holly Wright

Linked Pasts 5 is organized by Alberto Dalla Rosa, Vincent Razanajao and the Pelagios Network
The initiative is funded by and is part of the ERC project PATRIMONIVM

Geography and Economy
of the Imperial Properties
in the Roman World

Pelagios
network
